### Venue: Bursa

Bursa was the capital of the Ottoman Empire between 1326 and 1365. The mausoleums of the early Ottoman sultans are located in Bursa and the city's main landmarks include numerous edifices built throughout the Ottoman period.

Bursa also has thermal baths and several museums, including a museum of archaeology. The shadow play characters Karagoz and Hacivat are based on historic personalities who lived and died in Bursa. Bursa is also home to some of the most famous Turkish dishes such as iskender kebab, specially.

Candied marron glaces, peaches and Turkish delight. The historic towns of Iznik (Nicaea) Mudanya and Zeytinbagi are all situated in the province of Bursa.

Bursa is a picturesque city located in the foothills of Mount Uludag amidst green countryside and forest. The Mount Uludag is Turkey's ski resort and a wonderful place to visit all year round. Bursa is highly developed industrial city textile and automotive companies.

### Social Program

A social program including an opening reception, a conference dinner, touristic visits, sightseeing and post-session tours will be available to ensure that delegates have the opportunity to meet each other informally for the exchange of views and information.
